

OUR STORE IS THE GIFT SHOP THIS YEAR

This Christmas will be different. We shall have one Christmas—a Christmas which will celebrate big victories for us on the other side as well as the spirit of Yuletide over here.

And then there will be gifts, many of them. But sober-minded people will confine their giving to the things which, while they express every sentiment of the season, also have the added merit of practical utility.

Among the useful things we are showing:

Suits	Suspenders	SILK Reefers
Overcoats	Ties	Slippers
Gloves and Mittens	Collars	Night Shirts
Bathrobes	Hosiery	Pajamas
Underwear	Cuff Buttons	Hosiery
Waistcoats	Scarf Pins	Underwear
Shoes	Suit Cases	Shirts

Handkerchiefs, Moccasins, etc.

You are cordially invited to call and see for yourself.

Big Reductions in Winter Coats

We have decided this year to begin this sale before Christmas so that those who intend to buy only useful presents may have the benefit of these big reductions and still secure a very practical and useful present.

Santa Claus Says:

"By all means buy a nice, warm Winter coat for that Christmas Present." This is just the event you have been waiting for. Don't miss it. All woolen materials will cost more next spring than they did last. If you want to be thrifty and make your dollar go as far as possible, buy now while you have the opportunity.

Nothing gained by waiting as you will receive the benefit of the January prices NOW. The reductions are big and the new prices should be a big temptation to you and all the winter is still ahead of you in which to enjoy the coats.
